

Dear authors,

As mentioned in the first call, the accepted papers, after peer-review, will be included in the Proceedings of the 28th International Conference “Noise and Vibration”, which will be published in a special issue of Facta Universitatis, Series: Working and Living Environmental Protection, ISSN 0354-804X (Print), ISSN 2406-0534 (Online).

The Facta Universitatis, Series: Working and living environmental protection is an open-access, peer-reviewed international journal published by the University of Niš (Republic of Serbia). This journal publishes high-quality and refereed papers three times per year. Papers report original research or extended versions of previously published conference or journal papers. Papers submitted for publication must demonstrate originality, relevance and credibility. All submissions must be written in English. The main goal of this journal is to publish papers in the fields of engineering science and environmental protection quickly and efficiently, hoping to serve as a valuable resource for researchers, scholars, industrialists, etc. and to inspire the development of further research in these fields.

Before submitting the paper through the online submission system, please send the paper (both Word and PDF versions) to momir.prascevic@znrfa.ni.ac.rs and darko.mihajlov@znrfa.ni.ac.rs. Include the following data for all authors: affiliation, postal address, e-mail (academic email address preferred) and ORCID number (if any). After a preliminary check of the paper, we will send you an email with your login parameters for the online submission system. Once you receive your parameters, you will be able to log in and begin the paper submission process.

After logging in with your login parameters, click on “New Submission” and follow the recommended steps. Please enter the following text in “Comments for the Editor” in step 1: 28th International Conference “Noise and Vibration”.

The paper must be written in English and should not exceed 12 pages, including figures, tables, references and illustrations. In the attachment, you can find the instructions for paper preparation.

The word file may be saved as a .doc or .docx file. Please note that equations must be editable, i.e. they cannot be given as figures.

The deadline for article submission is September 1, 2024.

If you have any questions, please don't hesitate to contact me.

Best regards,

Co-chairman of
the Program Committee

Prof. dr Momir Prascevic
